

GOVERNMENT OF ANDHRA PRADESH
SGSW DEPARTMENT
Auto Nagar, Vijayawada

User Manual for Field Verification – Thalliki Vandanam Data

May 2026

Introduction

The School Education Department has provided a comprehensive dataset of active students enrolled from 1st to 12th grade and has requested the SGSW department to perform a six-step validation for the proposed Thalliki Vandanam Flagship Program.

In response to the request, the SGSW department conducted a preliminary analysis on the active school students records and the following scenarios have been identified in the Thalliki Vandanam data for 2026-2027 which require field verification.

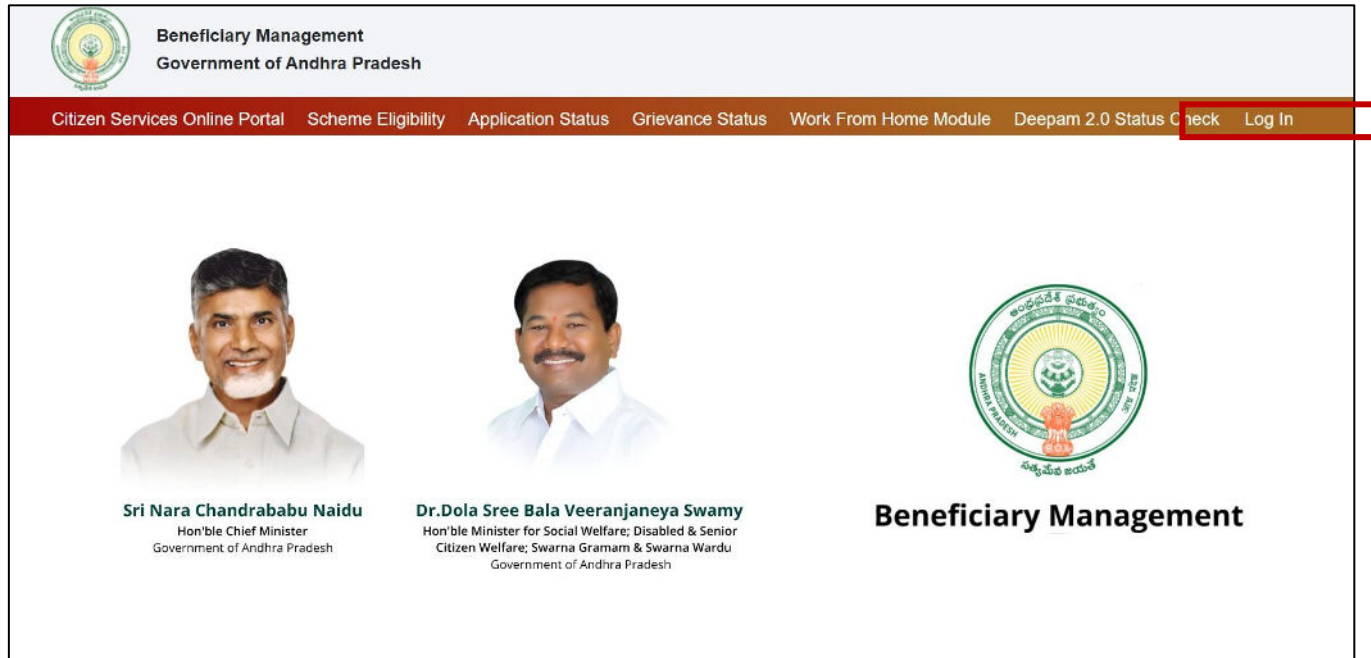

1. Student Aadhaar is present in HH Database, but Mother Aadhaar is not in HH Database.
2. Mother Aadhaar is present, but Student Aadhaar is not present in HH Database.
3. Mother and Student Aadhaar are in the HH Database but in different households.
4. Both Mother and Student have the same Aadhaar.
5. Mother Aadhaar is Null/Wrong, but student Aadhaar is present in HH database.
6. Student Aadhaar is Null/Wrong, but Parent Aadhaar is present in HH database..

In this regard, a field verification module has developed within the Beneficiary Management portal to conduct field verification and capture the necessary information for the above-mentioned scenarios. Access to this module has been provided to WEA/WWDS.

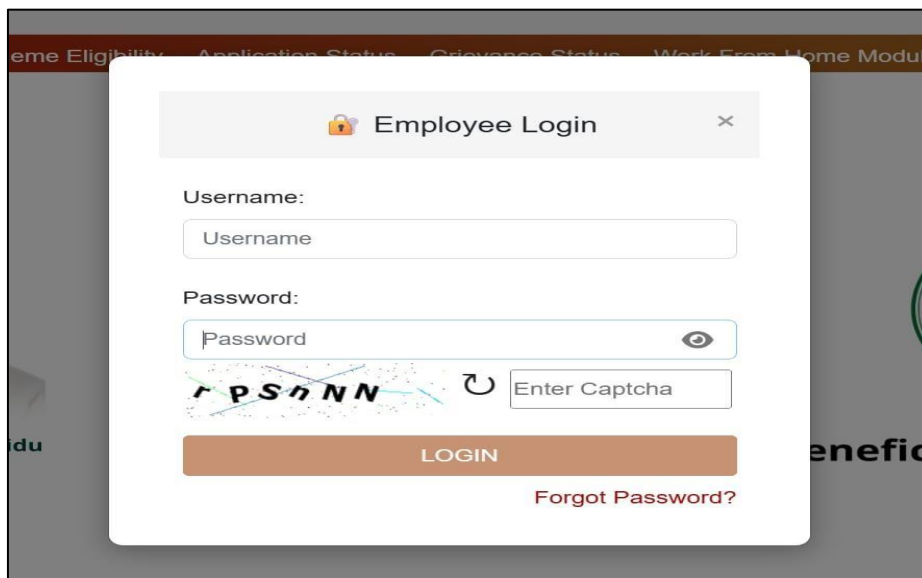

Accessing Data Updation on School Education Department Module

1. Login to Portal (WEA/WWDS)

- To begin, log in to the <https://bm-sqsw.ap.gov.in/BM/> portal using your WEA/WWDS Login credentials.

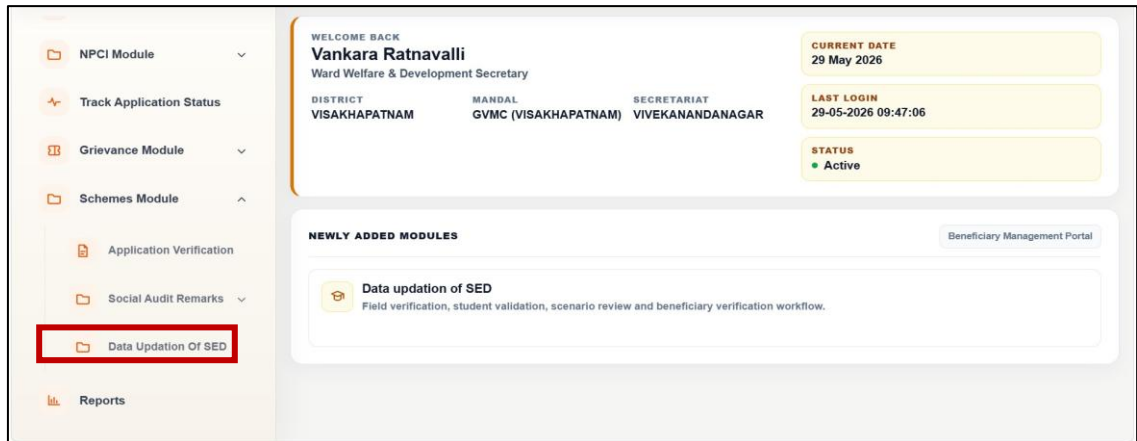

The screenshot shows the homepage of the Beneficiary Management portal for the Government of Andhra Pradesh. At the top left is the state emblem. The header includes the text "Beneficiary Management Government of Andhra Pradesh". A navigation bar contains links for "Citizen Services Online Portal", "Scheme Eligibility", "Application Status", "Grievance Status", "Work From Home Module", "Deepam 2.0 Status Check", and "Log In". The main content area features portraits of Sri Nara Chandrababu Naidu (Hon'ble Chief Minister) and Dr. Dola Sree Bala Veeranjanya Swamy (Hon'ble Minister for Social Welfare, Disabled & Senior Citizen Welfare, Swarna Gramam & Swarna Wardu). To the right is the logo of the Beneficiary Management department with the text "Beneficiary Management".

The screenshot shows the "Employee Login" form. It includes a title bar with a lock icon and a close button. The form fields are: "Username:" with a text input field; "Password:" with a text input field and a visibility toggle icon; a CAPTCHA image with the text "r P S n N N" and a refresh icon; and an "Enter Captcha" text input field. Below the fields is a large orange "LOGIN" button and a link for "Forgot Password?".

2. Open Data Updation of SED Module

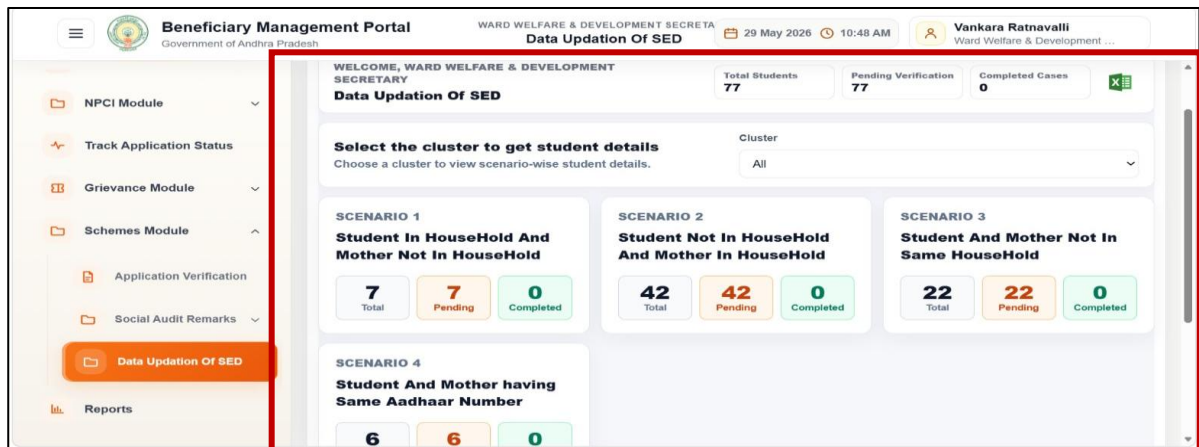

After logging successfully user need to click on Schemes Module and under that click on Data Update of SED

3. Data update of SED Dashboard

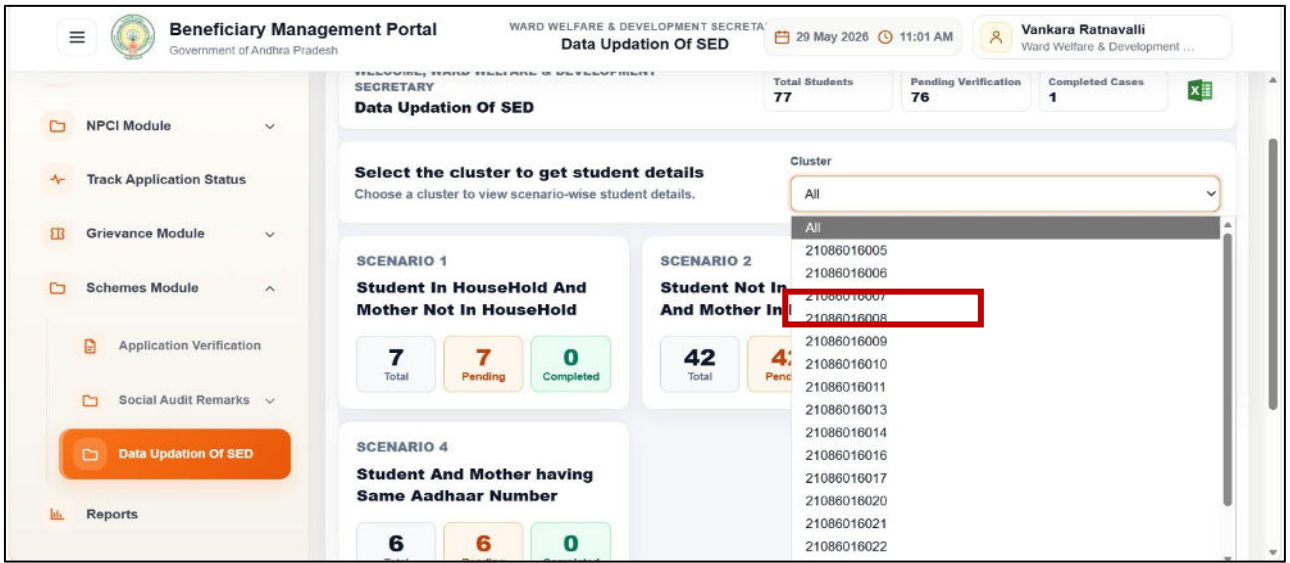

After clicking on the module, the following details are displayed

- Total Students
- Pending Verification
- Completed Cases
- Export to Excel option
- Select the cluster to get student details
- Scenarios

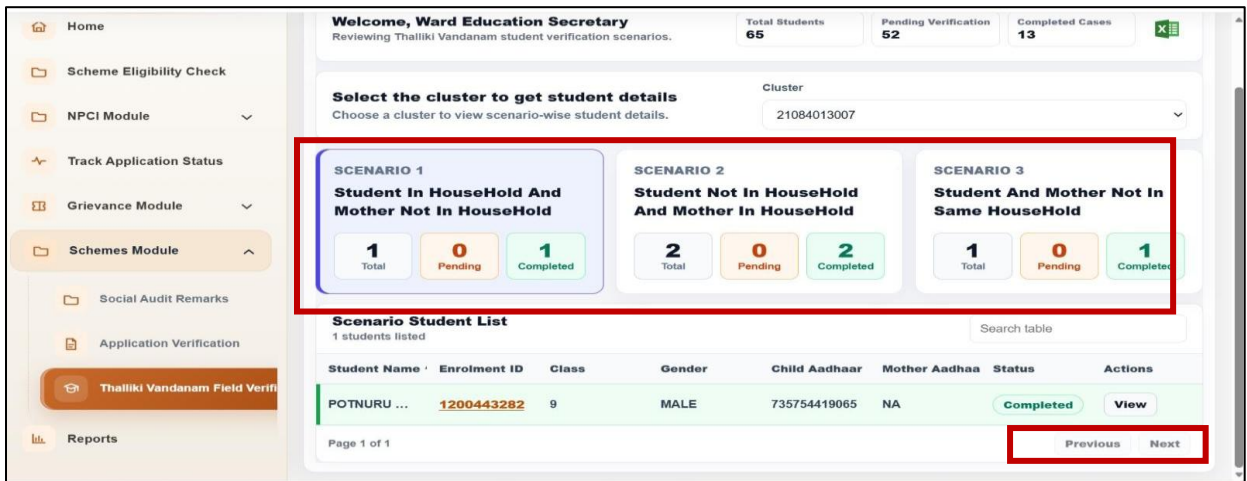

4. Cluster Selection

Click on cluster drop down and select the cluster ID

5. View Scenario Details

- Click on each Scenario Cards displayed and check the total cases/pending cases/completed cases
- List of students will be displayed
- Click on next button

- Select the student from the list and click on edit the details will be displayed and complete the scenario action and click on next option
